

### **Scotland: The Land of Lochs and Legends**

3 Years to Travel/ No Blackout Dates

Fabled figures, kilt-clad bagpipers and characters as colorful as Scottish tartans will be part of your enchanting 8-day, 7-night adventure for two in Scotland.

You'll begin in the capital city, Edinburgh, a place which boasts a seamless juxtaposition of historic and modern. Here you'll follow your local guide along the famous Royal Mile and gain insight into the famous writers who have called the city home and the hidden secrets of top landmarks such as St. Giles' Cathedral and Edinburgh Castle.

One day, you'll take a full day trip to the city known as the "Gateway to the Highlands": Inverness. In this iconic city, you might like to take a stroll along the banks of the River Ness, or perhaps taste a wee dram of whisky in a lively authentic pub. You'll soon understand why producers for "Outlander" and "Harry Potter" chose to film here. During your special day tour to Loch Ness, you can search for "Nessie" amongst the magnificent aquatic vistas during your cruise to Glen Urquhart Castle and enjoy time soaking in the commanding views from this impressive ruin.

After four blissful nights in Edinburgh, you're off to Glasgow, which regularly makes the top of the charts as "world's friendliest city"! Everywhere you go, you'll find plenty of jolly locals ready to point you to their favorite restaurant or share a wild tale. On another full day trip from Glasgow, you'll journey through the picture-perfect West Highlands to the hauntingly beautiful Glencoe and Loch Lomond as your guide regales you with stories of epic battles and old clan rivalries.

Your trip includes 7 nights' 4-star accommodations, a guided tour of Edinburgh's Royal Mile & Edinburgh Castle, day trip to Inverness with Loch Ness Cruise, your West Highlands adventure, and train transfer from Edinburgh to Glasgow.
